CANAPE, TACO, SLIDER AND BOWL FOOD MENUS

Freshly prepared to order by our team of chefs, our delicious tropical dishes are designed to give you flexibility to choose the perfect menu for your event. With the ability to mix and match, canapes, sliders and bowls are well suited to standing receptions and parties whilst tacos and bowl combinations also work well from food stations and buffets.

As a guide, for a complete meal we would suggest the following combinations:

- 8 canapes per person
- 6 canapes and 3 bowls per person
- 4 canapes / 2 tacos / 2 sliders per person
- 2 sliders / 2 tacos and 3 bowls per person

As the catering team is our own, we are able to accommodate specific requests for you and your guests.
