Food Allergies & Intolerances: Please always inform your server about any allergens or intolerances which may affect you. Strada provide allergen information for the 14 allergens recognised in the legislation. Whilst this means that allergens, such as nuts or gluten, are not contained in the ingredients themselves, they are still present in the kitchen and therefore some traces may still be found. Therefore, whilst GF and GFO menu items will not contain gluten products, there may still be very low levels of gluten in the dish. We accept all major credit cards. Our prices include VAT at the current rate.

An optional service charge of 10% will be added to parties of 8 or more. Visit www.strada.co.uk for full details.
